Welcome to Mediluxe

At Mediluxe, we believe beauty is not just about appearance it's about confidence, care, and timeless radiance. Our treatments are designed for every skin type and every age, because we know your skin's needs are as unique as you are.

From revitalizing facials that restore your glow to advanced laser hair removal that gives you long-lasting smoothness, our expert team is here to ensure you feel pampered, cared for, and truly radiant.

~~~~~*Glowing skin is always in*~~~~~

# COMPLIMENTARY 3D SKIN ANALYSIS

Every facial includes a complimentary 3D Skin Analysis to assess hydration, texture, pigmentation, pores, and hidden skin concerns. This allows us to create a treatment plan tailored specifically to your skin for healthier, long-lasting results.

Hydration

Texture

Pigmentation

Pores

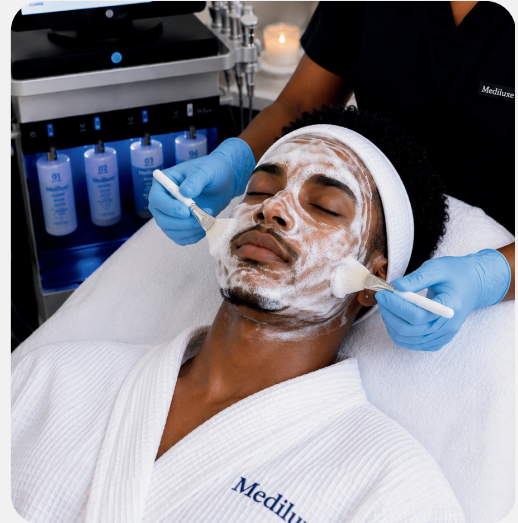

# Facials Treatments

## **Express Facial** Price: 3,500/=

---

A quick yet powerful skin reset designed to cleanse, refine pores, and restore hydration revealing instantly brighter, smoother, and healthier-looking skin.

Your glow, upgraded in minutes.

- Skin warrior ageless (+)

# Facials Treatments

## Mediluxe sensitive restore

**Price: 7,500/=**

---

A calming, restorative treatment designed to soothe sensitivity, strengthen the skin barrier, and reduce redness bringing comfort and balance back to stressed skin.

## Hydra renewal **Price: 8,500/=**

---

Designed to boost your glow and confidence. Targets breakouts, dryness, and uneven texture while restoring a healthy, luminous complexion.

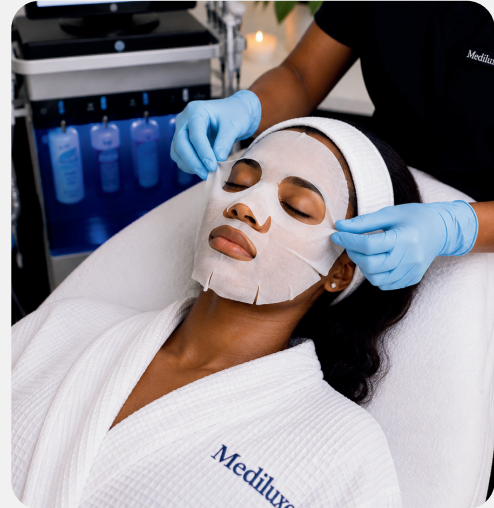

# Facials Treatments

---

## Skin renewal treatment **Price: 9000/=**

---

Advanced treatments designed to resurface, repair, and restore your skin targeting texture, pigmentation, and dullness for a smoother, clearer, and more radiant complexion.

## Hydra facial **Price: 10,000/=**

---

An intensely hydrating treatment that replenishes moisture, revives dull skin, and restores a healthy, radiant glow. Perfect for all skin types, especially dehydrated skin.

# Facials Treatments

---

## Plasma treatment **Price: 12,000/=**

---

Boost collagen production, tighten pores, and improve overall skin tone and radiance. It helps smooth texture and revive dull, uneven, or aging skin leaving you with a brighter, more refined, and refreshed glow.

## Timeless Lift Facial **Price: 15,000/=**

---

A rejuvenating treatment infused with firming peptides to improve skin elasticity, smooth the appearance of fine lines, and restore a firmer, more lifted complexion. Ideal for mature or tired-looking skin.

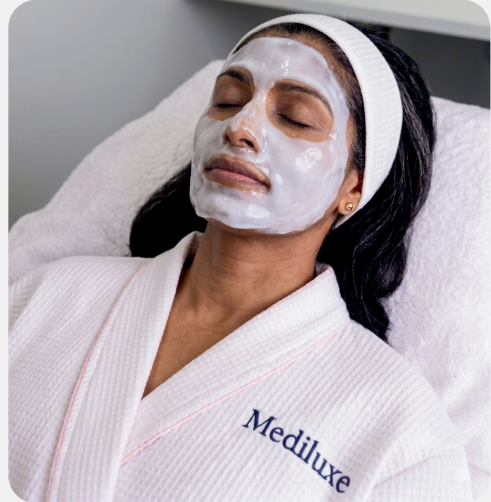

# Facials Treatments

---

## **Radiance treatment** Price:15,500/=

---

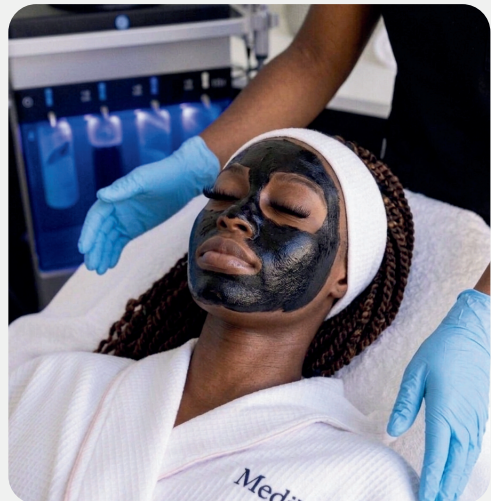

Brightens and revitalizes uneven skin tone, leaving your complexion glowing, smooth, and full of life.

## **C2o2 facial** Price:16,500/=

---

Stimulates oxygenation, boosts collagen, and instantly tightens the skin for a firmer, radiant appearance. Perfect for dull or ageing skin.

“Perfect skin *doesn't* exist,  
**HEALTHY  
SKIN**  
does.”

# Chemical peels

## **Lactic renewal peel** Price : 10,000

---

A gentle exfoliating peel that brightens the skin, improves texture, fades pigmentation, and boosts hydration for a radiant complexion.

## **Clarifying salicylic peel** Price: 12,000

---

A deep-cleansing peel that unclogs pores, controls excess oil, reduces acne and blackheads, and promotes clearer, smoother skin.

# Treatment Add-ons

## **Hydro jelly mask** Price: 1,000/=

---

Instantly soothes, hydrates, and nourishes for that post-treatment glow.

## **Derma-plane** Price: 2,000/=

---

Exfoliates dead skin and removes fine facial hair, leaving skin smooth and radiant.

## **LED light therapy** Price: 1000/=

---

Uses light wavelengths to calm inflammation, fight acne, and boost collagen.

## **Face Lifting Therapy** Price: 800/=

---

A non-invasive lift that tones and firms for a youthful contour.

## **Eye & Lip Treatment** Price : 1000/=

---

Gentle care to reduce puffiness, dark circles, and dryness around delicate areas.

- Stomach Line – 1500/=
- Full Body – 28,500/=

Professional pre-treatment shaving is available at an additional charge of KSH 800, if required.

# How Laser Hair Removal Works

1

## BEFORE

We advise clients to shave any hair in the treatment area.

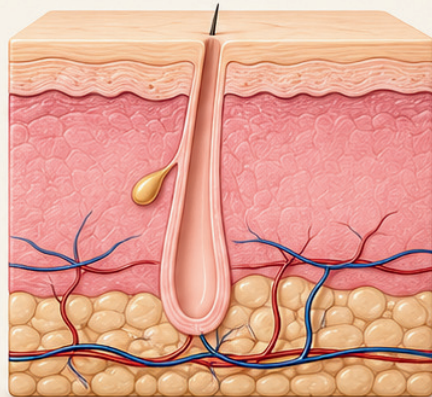

2

## THE LASER TARGETS

& damages the follicle underneath the skin.

3

## AFTER TREATMENT

Hair naturally sheds over the following weeks. With each session, fewer follicles produce new hair, resulting in up to **75–100% permanent hair reduction.**
